

Sustainable CT Community Certification Report

This is the Sustainable CT Certification Report of Vernon, a Sustainable CT silver certified applicant.

Vernon was certified on May 31, 2022 with 770 points. Listed below is information regarding Vernon's Sustainable CT efforts and materials associated with the applicant's certified actions.

Contact Information

The designated Sustainable CT contact for Vernon is:

Name:	SHAUN GATELY
Title/Position:	DIRECTOR / ECONOMIC DEVELOPMENT
Address:	14 PARK PLACE VERNON, CT 06066
Phone:	860-870-3637

Actions Implemented

Each approved action and supporting documentation for which Vernon was approved for in 2022 appears below. Please enjoy this opportunity to view and learn from the information and materials provided.

Notes: Submission content was created by Vernon, and Sustainable CT makes no claims, promises or guarantees about the accuracy, completeness, or adequacy of the submission, beyond that an individual reviewer approved at least some elements of the action for certification. Further, standards for actions below may have changed, and the documentation listed may no longer satisfy requirements for that action. Finally, approved actions here may include some documents and descriptions in support of action elements that were not approved, in addition to elements that were approved. In preparing your own application, please rely only on the action write-ups for the current certification year to guide your submission. Please contact info@sustainablect.org with specific questions.

Documentation Details: See description in the overview.

Partners: 8.1.1 Sustainability Event: 1. Design Guidelines for Historic Properties. Vernon's Historic Property Commission conducted an educational workshop to discuss design guidelines for resident homeowners of Historic Properties. Our role was to promote the event and support the local Commission. 2. Sustainable CT Workshop Series "Supporting Redevelopment of Brownfield Sites." Sustainable CT conducted a remediating and redeveloping brownfield sites workshop in the Town of Vernon. Our role was to host the event and share our successful brownfield redevelopment story. 3. Plan of Conservation and Development Public Workshop: Vernon's Planning and Development Department hosted a workshop to ask citizens about their long-term sustainability vision for the Town of Vernon. We invited the community to learn and participate in the workshop. 4. Green Poetry Café. Poetry Rocks held an outdoor, socially distanced poetry reading about the environment. Rockville Library, Arts Center East, and Vernon Arts Commission sponsored the event. Our role was to promote and host the event at a local park in Town. 5. POCD Public Workshop. Vernon's Planning and Development Department hosted a public workshop to discuss future land use maps, strategies, and sustainable priorities for our Town. Our role was to convene the workshop. In addition, we invited residents to learn and share their sustainability vision for Vernon. 6. Electric Vehicle Webinar. The Town planned and hosted an online webinar for Vernon's residents. Our role was to invite and engage the neighborhood to discuss electric vehicles and the social, economic, and environmental benefits. Partners: Clean Cities CT. 7. Financial Hardship Simulation and Discussion to Include Homelessness. Vernon's Social Service Department planned and hosted an in-person event to discuss about homelessness and how to make it rare, brief and non-recurring" in Vernon. Additionally, the Town in partnership with United Way hosted a Financial Hardship Simulation. The simulation brought groups of participants together to experience the tough decisions ALICE households. Our role was to host and invite residents and stakeholders to participate in the discussion.
